

Online intelligence

In a world of swiftly changing political and security risks, companies and their personnel require up-to-date intelligence and incisive advice on dealing with threats.

HRL24 is a subscription website providing 24-hour access to informed and current country intelligence across the globe. Each user is provided with a unique password to log on to the HRL24 website wherever they are in the world.

Reports and advice draw on the expertise of HRL's risk specialists and security practitioners, who monitor political and security risks as they emerge and develop. HRL24 helps to mitigate threats which is posed to a company's personnel, assets and profits through being aware of both predictable and unexpected risks.

A demonstration of HRL24 is available upon request.

SERVICES

■ Travel Advice

We provide a wealth of practical advice and guidance for commercial travellers to prepare for visits in a varied range of environments. Personal security advice helps to minimise the chances of becoming a victim when abroad. General travel advice offers guidance on mitigating risk in specific environments including different climates, religions and political situations.

■ Country Reports

HRL24 provides detailed reports covering more than 150 countries. Visitors are provided with an analysis of the political situation in the country, health and travel information and practical risk and security considerations.

■ Incident Management

HRL offers 24-hour access to expert security and incident management advice for a varied range of scenarios, including civil unrest, kidnap and terrorist incidents. We offer specific guidance, recommendations and resources should a client find themselves affected by or directly involved in a serious incident.

■ Risk Maps

HRL's unique Global Risk Map and kidnap and piracy maps are updated on a daily basis.

■ Bespoke Reports

HRL's advice line is available 24 hours a day for clients to commission a bespoke report.
